Dining Options

At Peppers Ruffles Lodge & Spa, we realise the importance of producing interesting, quality food and we follow this principle daily with our comprehensive breakfasts, light lunches and various dinner options. We certainly have the location to give our guests a memorable experience with 2 main dining areas each able to meet the mood of the particular day.

Dining is an integral part of the Peppers Ruffles experience so we go to great lengths to acquire the freshest and best produce. Dining options for groups include more casual BBQ evenings or a more formal three course dinner in our spectacular dining room, complemented with a large selection of fine wines from our cellar.

Guests can indulge in a unique conference luncheon and dine with a difference thanks to the talents of Executive Chef Steve Houghton and his innovative gourmet meals.

Team building activities

The team at Peppers Ruffles Lodge has joined forces with the professional facilitators at Freeman Xperiences to create an exciting range of teambuilding activities. If you are looking for something to reward and stimulate your team and you want something more productive, more impressive and just that little bit different.

Laser Clay Pigeon Shooting: Just like the real thing but totally safe and environmentally friendly. Players use a modified shotgun to fire an infra-red beam at clays that are launched from various points and angles.

Peppers Ruffles Lodge Adventure: Go head to head: A high energy, dynamic team program utilising the beautiful grounds around the Peppers Ruffles Lodge property. Your teams will compete in a fierce (but fun) head to head battle, accumulating points for each challenge completed. Challenges could include medieval archery, giant catapults, water poles, elephant memory and many more.

Simulated Aircraft Adventure: You and your team are blindfolded and taken to a 'secret' location. When the blindfolds come off, you land in a setting where your team has just survived a simulated aircraft crash. Now in completely unknown territory, your team must complete a series of adventure challenges in order to make their way back to civilisation.

Other activities which can be arranged include: Murder Mystery Party, Corporate Drumming Workshop, Texas Holdem Poker Tournament, Bouncy Boxing and Gladiator Duel.
