**SIRROMET WINES** is a Queensland success story, producing premium quality wines and collecting over 430 awards in 9 years of operations. Since quality wines begin on the vine, Sirromet attributes the flavour and quality of their wines to the exceptional fruit grown in their vineyards. The distinctive Granite Belt terroir, combined with the high elevation (820 metres above sea level) rewards winemakers with unique flavours, texture and structure, and allows the Sirromet wine range to excel. Sirromet provides a wine experience that you'll remember long after the last glass.

Join one of Sirromet's respected winemakers on a wine journey and learn why Sirromet have achieved so many awards.

**DINING AT RUFFLES** is an integral part of the Ruffles experience and our chefs will go to almost any lengths to source the freshest and best quality local produce for you. Sample the region's finest food combinations with a-la-carte dining, a seven course degustation dinner and a gourmet breakfast in our intimate restaurant.

**RUFFLES LODGE** is perched high in the Gold Coast hinterland. It is the perfect luxury 5 star retreat for those who have a taste for the finer things in life and also for those looking to 'treat' themselves. The 50 acre property perfectly blends architecture, luxury and total privacy while taking advantage of stunning views.
